24-163: Idling motor vehicle for more than 3 minutes / 3rd offense

Petitioner submitted a redacted complaint, 3 images and a link to a video in support of the summons. Ms. Babu did not dispute the prior violations nor that the engine was running for more than 3 minutes but stated that a worker had only left the vehicle running for a quick drop off.

Respondent does not offer a valid defense to the charge. I credit the statements in the summons and find that Respondent idled a motor vehicle engine for more than 3 minutes as described in the summons and that it is a 3rd offense. Sustained as a 3rd offense.
