Findings of Facts & Conclusions of Law

The summonses are sustained.

The Respondent, PENSKE LEASING & RENTAL CO., appeared on five (5) summonses by its authorized representative, Ilma Babu, Nacmias Law Firm PLLC. The Petitioner, NYC DEPARTMENT OF ENVIRONMENTAL PROTECTION, waived its appearance.

The summonses each alleged violations of NYC Air Pollution Control Code (APCC) Section 24-163, Idling of a Motor Vehicle engine over three (3) minutes with the exception of Summons #000954383L which alleges a violation of NYC APCC Section 24-163(f), idling for more than one (1) minute while adjacent to a school.

For each violation Respondent's representative denied the existence of the violation conditions but did not produce any evidence or assert any affirmative defenses to the charges. Respondent's representative did not challenge any of the allegations of prior offenses.

I find on the Petitioner's credible case that the violating conditions described in the summons existed and the standard penalties are imposed.

The summonses are sustained.
