Findings of Fact & Conclusions of Law

The hearing on summons number 000957789P was conducted by telephone conference call on March 20, 2026.

Respondent PENSKE LEASING & RENTAL CO appeared at the hearing through authorized representative Ilma Babu. Petitioner Department of Environmental Protection, by Nicholas Nigro, waived its appearance via email.

The Issuing Officer alleges in the summons that Respondent violated New York City Administrative Code 24-163 for idling of a motor vehicle engine for more than three minutes. It is indicated as a first offense.

Respondent denies the charge with no rebuttal.

I credit the statements contained in the summons and find a violation of 24-163 as alleged. As Respondent does not refute the charge and does not put forth a defense, the summons is sustained, and the standard penalty imposed.
