Findings of Fact & Conclusions of Law

Taylor Barje appeared for Petitioner and stated she stands by the summons and submitted supplemental evidence (in file).

Caroline Kane appeared for Respondent and stated that the Petitioner provided no evidence that the SWO was posted, therefore there is no evidence that the respondent had notice that the SWO was issued. Therefore, summons should be dismissed.

I credit the summons and find respondent did work in violation of the SWO. I further find that respondent had notice of the SWO. Summons is sustained.
