Findings of Fact & Conclusions of Law

Nora Brown, authorized representative for the respondent, appeared via telephone conference call on 12/1/25. Russell Walker appeared on behalf of petitioner FDNY.

Respondent was charged with violating VC12, unwarranted alarm, a repeat violation.

Petitioner advised that they are resting on the summons and explained the basis for the repeat. Petitioner found respondent's submission sufficient to establish timely correction and recommended the mitigated penalty.

I credit the summons details and find that petitioner has established a valid charge against respondent. Respondent has failed to establish a valid defense but has established timely correction. As such, and in accordance with petitioner's recommendation, I find respondent in violation and impose the mitigated/reduced penalty of \$935.
