Findings of Fact & Conclusions of Law

A telephonic hearing was held on December 3, 2024.

Respondent was charged for causing or permitted the idling of motor vehicle with NJ license plate #OYB 3164 for longer than three minutes on 09/5/2023 on 49th Ave between Skillman Ave and 21st Street, Queens.

Respondent was represented by Chia-Han Lin who denied the violation without presenting a rebuttal.

Petitioner was represented by Micheal Grosso.

Here, I credit the summons and find that the same is sufficient to establish the charged violation. I find that credible contrary evidence or a valid legal defense was not presented. Accordingly, the summons is SUSTAINED.
