Findings of Fact & Conclusions of Law

141 601 02X

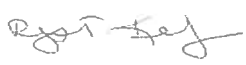

The summons was issued for a violation of VC 20 inspection and testing. Repeat.

Russel Walker appeared for the petitioner. He confirmed the repeat status of the summons. He reviewed the evidence and recommended the mitigated repat penalty.

Mabel Oghojafor, a law clerk of the Nacmias Law Firm, appeared for the respondent, CIVIC CENTER SYNAGOGUE, and

denied the summons . She submitted a letter dated 2/27/25 confirming the test date.

The summons is sustained. I find, based on the credible statements of the parties, and the reliable documentation submitted that the respondent was in violation of the cited section of law and corrected the conditions before the first hearing date of 3/19/25. Accordingly, the summons is sustained and the mitigated repeat penalty is imposed.
