Findings of Facts & Conclusions of Law

Summons 014194204X charged two violations of the Fire Code, namely, a VC 7 for failure to properly display the building address, and a VC 9 for failure to maintain emergency power source for exit lighting.

Respondent did not deny the charge, but submitted evidence of correction directly to the Fire Department before the hearing.

Petitioner recommended the mitigated penalty be imposed because Respondent submitted timely evidence of correction.

Accordingly, the summons is sustained and the mitigated penalty will be imposed for each violation.
