Findings of Facts & Conclusions of Law

Petitioner, NYC DEP, appeared by Leah Smith. Respondent, LGI USA Inc., appeared by Ilma Babu. The first hearing date was scheduled for November 24, 2025, today's hearing date. This summons is sustained and the third penalty imposed.

Respondent is charged under NYC Administrative Code Section 24-163 for idling a motor vehicle engine for more than 3 minutes. Petitioner is prosecuting this charge as a third offense because of summonses 000723741Y and 000756851X.

Respondent denied the charge but provided no rebuttals. I do not credit Respondent's denial. I find that the violating conditions existed at time of issuance and that Respondent has not established a valid defense. This summons is sustained and the third penalty imposed.
