Findings of Fact & Conclusions of Law

The respondent was represented by Nora Brown. The petitioner was represented by Eric Monk. The summons alleges that the respondent failed to prevent an unwarranted alarm as a repeat violation. The respondent did not deny the allegation and the petitioner confirmed that the matter had been corrected prior to the first hearing date. As such, the petitioner recommended the assessment of the mitigated penalty as a repeat violation. The respondent was so advised. There being no argument or evidence presented to either rebut the charged violation or establish a valid defense thereto, the summons is sustained as a repeat violation and the mitigated penalty assessed.
