Findings of Fact & Conclusions of Law

Frank Tamberino appeared for Respondent by phone. Kofi Speed, FDNY, appeared by phone.

The summons alleges that Respondent failed to conduct required inspection or test of water-based fire protection system at premises. The date of occurrence was 2/26/25.

Mr. Tamberino admitted the charge.

I find that the summons is credible and establishes a prima facie case that Respondent did not conduct the test. Summons

sustained.

Mr. Speed stated that the Respondent is in compliance and recommended the mitigated penalty. I am imposing the mitigated penalty because there was compliance before the first hearing date.
