Findings of Fact & Conclusions of Law

Respondent, Bari V LLC was issued the above listed summons. Nora Brown appeared remotely as authorized representative. Khadija Hassan appeared remotely for the Petitioner.

The summons alleges a VC 20 violation for failing to conduct required inspection and testing.

Respondent's representative denied the details of the summons but did not offer a defense.

I credit the undisputed findings of the issuing officer and find that the cited condition did exist. Without a defense put forth to

the contrary, the summons is prima facie evidence of the details alleged.

Accordingly, the summons is sustained.
