Findings of Fact & Conclusions of Law

Michael Nacmias, Esq. appeared for Respondent. Petitioner NYPD did not appear and relied on the summons.

Respondent was cited for violating AC10-125 for open container. The IO observed respondent with an open container of alcohol.

Mr. Nacmias challenged service. He cited Appeal No. 2000420. On the merits, he argued that the summons does not establish a prima facie case as the allegation does not identify the beverage with the alcohol percentage. The allegation is conclusory.

The certificate of service is blank (Hearing Officer Exhibit 1). I find the service was defective. The summons is dismissed.
