Findings of Fact & Conclusions of Law

The hearing was held via Court Call on May 20, 2025. Respondent appeared by Phoebe Dossett, attorney. Petitioner, Department of Buildings, appeared by Malik Amar. Respondent is charged with a violation of Misc.BC Chapter 33. Summons states that the jobsite has accumulated large amounts of pooling water with no measures have been taken to dewater the job site. Respondent relies on the summons. Respondent moves to dismiss on the grounds that no specific provision of law was cited in the summons. I find that the petitioner failed to provide notification of the section of law alleged to be violated. I find that these summons fails to establish a prima facie case. The motion to dismiss is granted.
