Findings of Fact & Conclusions of Law

Summons 039526702Y alleges a Class 2 charge of § 3309.14 of the Building Code (BC), for failure to provide window protection.

Petitioner, the Department of Buildings (DOB), appeared by Malka Amar.

Respondent, Sahara Contracting Corp, appeared by FRANK TAMBERINO, Esq., did not dispute the IO's statements, but testified that the cited violation condition had been corrected after the first scheduled hearing date.

I credit the IO's statements on the summons. I also credit Respondent's attorney's testimony; however, it does not establish any defense or basis for imposition of a mitigated penalty.

Accordingly, the violation is sustained.
