Findings of Fact & Conclusions of Law

The hearing was conducted via telephone conference call on November 8, 2024.

Michael Nacmias, Esq. appeared on behalf of respondent Mansur Abdurakhmanov. No appearance appeared on behalf of petitioner NYPD.

The summons charges AC 19-190(b), and states: "At TPO I/I is informed by Lieutenant McLarin whose address is known to NYPD that Abdurakhmanov Monsur observed motorist failure to yield to herself when traveling southbound. Mr. Nacmias argued that the summons details are confusing and do not allege who had the right of way, who failed to yield and whether

there was a physical injury.

I do not credit the summons details, I find them confusing and I find that they do not establish a prima facie charge against the respondent as multiple required elements are omitted. The summons is dismissed.
