Findings of Fact & Conclusions of Law

Caroline Kane, Esq., attorney for the respondent, appeared via telephone conference call on 12/5/24. Lucas Ruedel appeared on behalf of petitioner DEP.

Respondent was charged with violating 15 RCNY 20-04(e), failure to submit an annual test report for backflow preventer.

Petitioner rested on the summons and advised that they show that respondent has made a prior submission in November which was acceptable to establish correction. Petitioner therefore recommended the mitigated \$50 penalty.

I credit the summons details and I find that petitioner has established valid charges against the respondent. Respondent has failed to establish a valid defense but has established timely correction. As such, and in accordance with petitioner's recommendation, I find the respondent in violation and impose the mitigated penalty of \$50.
