Findings of Fact & Conclusions of Law

Joshua Santis, attorney, appeared on behalf of the Respondent, JMI Contracting Corp., and John McLaughlin appeared on behalf of the Petitioner, DEP, at a remote hearing held on 7/28/2025.

Respondent was charged with idling a truck with NY license plate #28763ML for more than three (3) minutes on W 66th Street between Central Park West and Columbus Ave., Manhattan in violation of AC 24-163.

AC 24-163 provides that:

No person shall cause or permit the engine of a motor vehicle, other than a legally authorized emergency motor vehicle, to idle longer than three minutes...unless the engine is used to operate a loading, unloading, or processing device.

Mr. Santis denied the violation with no rebuttal.

I credit Petitioner's sworn statement and find it establishes a violation of the cited section of law. I find that Respondent did not establish a defense or rebuttal to the charge.

Accordingly, I find Respondent in violation of the cited section of law and impose the mandatory penalty.
