Findings of Facts & Conclusions of Law

A telephonic hearing was held on 2/23/2026, Michael Anthony Sargo, Esq., attorney, appeared on behalf of the Respondent. Petitioner waived appearance.

On 11/22/2024, Respondent was issued with a violation of NYC Admin Code 16-120(C) – Sto of Recp. The IO observed “13 bags placed out on the public sidewalk without a receptacle with tight-fitting lid prior to 8PM on the day before collection.”

Respondent moves to dismiss. Counsel asserts that a stranger is making this mess and dumping the trash. The super cleans twice per day and takes reasonable steps. No other specific details are available and no evidence was provided to support these assertions (no witness and no super affidavit).

Respondent also moves to dismiss as there are 15 plus other summons on for today for same Respondent and same location. They argue that it is duplicative.

However, the summons before me are for different dates and a different violation on that date.

I find the Respondent failed to refute the summons and/or provide a viable defense.

The summons is sustained and the penalty is \$50.
