Findings of Fact & Conclusions of Law

Nora Brown, authorized representative for RYL GROUP INC appeared at a telephone hearing on October 6, 2025. Michael Grosso appeared on behalf of Petitioner, DEP.

The summons charges 24-220(c) for failure to keep/have inspection copy of noise mitigation plan on site. Petitioner submitted photo evidence of exterior of Respondent's construction worksite without a noise mitigation plan. See Petitioner's Evidence Package. Respondent testified that they posted their noise mitigation plan, but vandals ripped the signage off as is common in the area.

On this record, I do credit Respondent's testimony that they had properly posted their noise mitigation plan. Accordingly, the summons is dismissed.
