Findings of Fact & Conclusions of Law

Petitioner did not appear. Respondent, MACKLER MASTER FIRE INC., appeared by its authorized representative, Ilma Babu, to answer a charge of allowing its truck to idle for more than 3 minutes without any mechanical movement while parked, standing or stopped. The violation is charged as a third offense with prior summonses 000834008N and 000835761H.

Ms. Babu stated that while Respondent denied the violation, Respondent could not rebut the facts alleged in the summons. Ms. Babu also stated that Respondent is not contesting the violation being charged as a third offense.

I find that the violating condition existed on the day in question in that Respondent allowed its truck to idle for more than 3

minutes without any mechanical movement while parked, standing or stopped. Accordingly, the summons is SUSTAINED a third offense and the third offense penalty is imposed.
