Findings of Fact & Conclusions of Law

Respondent appeared by M. Nacmias. Petitioner did not appear. Petitioner charges Respondent with a violation of NYC AC 19-190(B). Mr. Nacmias argued the summons fails to establish a prima facie case as no description beyond "physical injury" is provided, it is not alleged that Respondent was driving a car, and does not allege who had the right of way. I agree that the summons fails to state a prima facie case. No further defense or evidence was presented. Accordingly, the summons is dismissed.
