Findings of Fact & Conclusions of Law

This matter was heard remotely, via telephonic conference, on March 6, 2026. Respondent appeared via Mike Nacmias, identified as the attorney for the named respondent. Petitioner did not appear.

The summons alleges a violation of NYC AC 19-190(b). The date of occurrence was January 15, 2026, at 8:58am.

Respondent requested that I review the affidavit of service; I noted that it was not filled out. Respondent moves to dismiss, on service grounds.

Respondent further testifies that the summons fails to make out a physical injury, by failing to allege a physical injury.

I credit respondent's testimony, and find that, as a matter of law, the summons must be dismissed, as the affidavit of service is blank, and not filled out at all. See NYPD v. Barrett Cherelle, Appeal No. 2000420 (June 18, 2020).

As such, the summons is hereby dismissed.
