Findings of Fact & Conclusions of Law

Phoebe Dossett, Esq. appeared for the respondent. Daniel Brickman, Esq. appeared on behalf of the petitioner.

The respondent made a motion to dismiss. She supplied a complaint report which shows that there was a prior request for corrective action issued on 11/22/2023 where a permit was required for the electrical work in the gazebo. Further, she submitted the permit for the electrical work and noted that the gazebo structure was within the square footage exemption (R EX#1).

The petitioner submitted no testimony or evidence to rebut the charges and did not oppose the motion.

Accordingly, the motion to dismiss is granted.
